

28th June 2023

Dear Parents

Planned teachers strike: Wednesday 5th July and Friday 7th July 2023

As you will be aware from Media reports, there are further planned teacher strikes days on the dates outlined above.

As a small academy, the expected impact of the strike means that we will not be able to deliver a full curriculum timetable for all of our students on the dates identified as teacher strike days. However, we are able to provide a morning of teaching for Year 10 students, and Year 12 Extended Diploma Engineering students.

	8:30am	9:30am	10:30am	11:30am
Year 10 students	Engineering lesson	Maths lesson	Physics lesson	Break with hot lunch
Year 12 Students	Extended Diploma in Engineering lesson			Break with hot lunch

The Academy will also be open on the above dates for students in receipt of Free School Meals, and for the children of Critical Workers. These students will start school as normal at 8:30am and receive three hours of teaching followed by a hot lunch. All students will depart at 12:00pm on the above dates.

We are unable to accommodate any other students on-site because of the lack of teaching staff available as a consequence of the strikes. Please ensure that your son/daughter uses this time to complete independent study, catching up on any outstanding work, and or consolidating their learning.

There is the possibility that the strike days may be cancelled. If this is the case, I will write to you again.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Ms Donovan
Principal
