## TO OUR PARENTS/CARERS

As a school we acknowledge that COVID has not disappeared. We need to manage the existence of COVID whilst continuity to deliver an excellent education to all our students.

## STRATEGY

### WE CONTINUE TO IMPLEMENT THE FOLLOWING BASIC STRATERFIES TO HELP PREVENT THE SPREAD OF COVID.

- Opportunity for socially distanced seating in all our classrooms.
- Wall mounted hand sanitizers in all our classrooms
- Wall mounted hand sanitizers in communal spaces including the canteen .
- One way system of movement around the school.
- No touching policy
- Ventilation of the classrooms (through the opening of windows and doors ).
- Students are encouraged to use their own water bottles when using the water fountain.
- Visitors are limited to the building
- Students are issued with laptops to participate in remote learning, Blended Learning Friday.
- Regular deep clean of the building.
- Students who wish to wear masks are permitted to do so
- Antibacterial wipes are available on request
